July 23rd to 27th, 2018  
6 PM - 8 PM  
Alter High School

Register: <https://alterhs.org/camps/>

Price: \$120

### ABOUT THE ACADEMY

The Alter women's soccer team is hosting its fourth annual advanced training clinic open to all middle school age girls (grades 3-8) and any incoming Alter freshman. The academy is an advanced training clinic for the dedicated soccer player. Featuring the Lady Knights, attendees can learn directly from the players that were 2016 Ohio D2 State Champions, won the Greater Girl's Cincinnati League 2 years in a row, and were regional and district champions. The camp will be held on Alter's turf field and will be run by the women's coaching staff with a player-to-coach ratio of 3:1, ensuring each player is getting the proper attention they deserve. Players can expect to improve their technical abilities and tactical understanding of the game. Additionally attendees will also work on their speed and conditioning to introduce them to the physical demands of playing at the next level. Goal keepers will receive individual and specialized instruction.

2016 DII State Champs  
2013/2011 State Final 4  
2016, 2013, 2012, 2011  
District Champs  
2017, 2016, 2012  
GCL North Champs

### WHAT PEOPLE ARE SAYING ABOUT THE ACADEMY

*"Wow, at camp, she had a great time, took some great constructive criticism, and was able to be coached by one of the best coaches in the area, and also a very talented group of coaches, and boosters he affiliates his soccer program with that helped run the academy. Our daughter experienced what it was like to be around one of the best girls high school soccer programs in the area, and after her first night and nonstop talking about how awesome camp was - we knew why they are so well respected in the area."*

*"Well organized camp. Specific focus each day. Really gave the campers a feel for what a high school practice might entail."*

*"Alter soccer academy provided a fun, relaxed environment for the girls and they learned so much. Being able to interact with the high school coaches and players is invaluable"*
